

P-Series Entry-Level Police Officer Candidate Study Guide
\$17 (includes shipping & handling for 1st Class USPS Mailing)

This 40-page study guide is designed to help you, as a police officer candidate, prepare to take either test form in the PO-EL 100 Series. The goals of this study guide are to:

- Answer frequently asked questions about the test forms.
- Describe the five content areas that are assessed by the P-Series.
- Review the different types of questions you will see when taking either test form.
- Present sample questions for each content area.
- Share basic test-taking tips that may help improve your overall test performance.
- Provide you with a practice test and answer sheets.
- Explain the answers to the practice test questions.

The P-Series Candidate Study Guide is available online at:

<http://www.ipma-hr.org/assessment/study>

Please allow several weeks prior to your scheduled test date to prepare with the study guide.

NOTE: Please note that the information in this study guide applies to both the PO-EL 101 and PO-EL 102 Entry-Level Police Officer tests. These tests are sometimes referred to by their old names: P-1SV and P-2SV.
